I am searching, searching for answers  
Now I'm asking: "How does it feel?"  
I look back at the times that have past me  
Now I'm wondering if they were real

It's hard to not have the answers  
It's hard to know if I can trust  
Maybe you don't give a shit about it  
But I must know

I don't wanna see you anymore  
I want just to rest in peace  
I haven't slept since you closed the door  
I'm so alone, I can't take this anymore

One moment I thought I was special  
But I found out that I'm just a creep  
For me, you were so special  
Why did you hurt me so deep?

Did you really think that I would get over you?  
Did you really think that I would forget?  
For me you were the one and only  
We shouldn't have met

I don't wanna see you anymore  
I want just to rest in peace  
I haven't slept since you closed the door  
I'm so alone, I can't take this anymore

Anymore...

I don't wanna see you anymore  
I want just to rest in peace  
I haven't slept since you closed the door  
I'm so alone, I can't take this anymore

I don't wanna see you anymore  
I want just to rest in peace  
I haven't slept since you closed the door  
I'm so alone, I can't take this anymore

Anymore...
