Don't be afraid to loose control
Don't be afraid to loose yourself
Fuck!

Come on, scream!
Scream, you fuck!
Scream, motherfucker, scream!

Don't be afraid to kill
Don't be afraid to love

Kill your anger with blood
Kill your anger with blood
Kill your anger with blood
Kill your anger with blood!

I don't like a fucking thing
I don't like a fucking thing

Get this: you're already dead
Get this: you're already dead
Get this: you're already dead
You ain't my friend, so die!
