Everybody floats down here
When we play a game with their souls
The man behind the mask is there
To take your life away

Nightmare takes the last part of you
Four knives is cutting life from you
Pain is too much you can take
But still it's getting worse

Exorcist - Can't do a thing for you
Eyes of mist - Death's scythe decapitates you
Exorcist - Can't do a thing for you
Eyes of mist - Death's scythe decapitates you

Children singing killer's song
Counting until you are dead
Living dead eating your brain
You think you are insane

Feel the fear inside your soul
An evil spirit is inside you
You want to rip your skin to escape
From the pain, it's getting worse

Exorcist - Can't do a thing for you
Eyes of mist - Death's scythe decapitates you
Exorcist - Can't do a thing for you
Eyes of mist - Death's scythe decapitates you

Psycho hunting you with blades of steel
In pure panic you run with fear
You want to rip your skin to escape
From the pain

Nightmare takes the last part of you
Four knives is cutting life from you
Pain is too much you can take
But still it's getting worse

Exorcist - Can't do a thing for you

Eyes of mist - Death's scythe decapitates you
Exorcist - Can't do a thing for you
Eyes of mist - Death's scythe, NOW YOU ARE DEAD!
