"Meatballs"

When I'm going
To the store
I see meatballs
And my skull, and my skull

I see meatballs
In the window
When I open
The door, open door

When I'm going
To the store
I see meatballs
At the floor, at the floor

When I'm walking
To my home
I see meatballs
And my skull, and my skull

(ett, tvÄ¥, tre, fyr)

I see meatballs
Through a skull
When I'm dying
I see more, I see more

I see meatballs
Through a skull
When I'm dying
I see more, I see more
