We rise our swords up high
We fight until we die
Our strength will make them cry
Whom defy Thor and tell their lies

Odin will tell us why
His raven in the sky
Leading our troops to enemies
To kill them all

Last breath of the giant
For every life he has taken
Mjolnir and God of thunder
Is the last thing you see

Rise our swords up high, we fight until we die
Crush and burn the giant's homes, none shall defy
Strength and belief, what makes us win, with honor to
our king
Odin's raven on the sky, we fight until we die

We rise our swords up high
We fight until we die
Our strength will make them cry
Whom defy Thor and tell their lies

Last breath of the giant
For every life he has taken
Mjolnir and God of thunder
Is the last thing you see

Rise our swords up high, (swords up high)
we fight until we die (until we die)
Crush and burn the giant's homes, (giant's homes)
none shall defy (none shall defy)
Strength and belief, what makes us win, (makes us win)
with honor to our king (to our king)
Odin's raven on the sky, we fight until we die

Until we die, until we die, until we die...
