Wind me up, put me down  
Start me off and watch me go  
'Cause I'll be runnin' circles around you  
Sooner than you know

A little off center  
And I'm out of tune  
Just kickin' this can along the avenue  
But I'm alright

'Cause it's easy  
Once you know how it's done  
You can't stop now  
It's already begun

You feel it  
Runnin' through your bones  
And you jerk it out  
Don't you know you gotta jerk it out?

Shut up  
Hush your mouth  
Can't you hear you talk too loud?  
No, can't hear nothin'  
'Cause I got my head up in the clouds

I bite off anything that I can chew  
I'm chasing cars up and down the avenue  
But that's ok

'Cause it's easy  
Once you know how it's done  
You can't stop now  
It's already begun

You feel it

Runnin' through your bones  
And you jerk it out
