I've been watching you across the room  
Hypnotize all the eyes on you  
Find it hard trying to keep my cool  
But I know it ain't gonna last  
Think I see where this can lead  
All the signs are there warning me  
A girl like you could take me down too deep  
I can tell, you're into moving fast

The way you work it on the floor  
Makes me want it even more  
Something more than just a dance  
The way you tempting me  
The way you teasing me  
And it's killing me

Oh baby shikidim shikidim  
Oynama shikidim shikidim  
Yeah baby shikidim shikidim  
Ah yanar doner a-acayipsin  
Oh baby shikidim shikidim  
Oynama shikidim shikidim  
I wanna see you shikidim shikidim  
Ah yanar doner a-acayipsin

You don't try to hide what you say  
It's anything you do  
And I like all the games that you play

It's everything about you

Oh baby shikidim shikidim  
Oynama shikidim shikidim  
Yeah baby shikidim shikidim  
Ah yanar doner a-acayipsin  
Oh baby shikidim shikidim  
Oynama shikidim shikidim  
I wanna see you shikidim shikidim  
Ah yanar doner a-acayipsin

I wanna steal a kiss from your lips  
Then we go step further than this

Baby you're the one the only one  
Whose impossible to resist

The way you work it on the floor  
Makes me want it even more  
Something more than just a dance  
The way you tempting me  
The way you teasing me  
And it's killing me

*[Chorus]*

You don't try to hide what you say  
It's anything you do  
And I like all the games that you play  
It's everything about you

*[Chorus]*
