Baby, I'm feeling your fire
I'm feeling you close to me
Feel the desire

Tell me you wanna take a ride
I wanna get you alone
And make you mine

'Cause when I see you do that
Chiki, chiki, chiki, chiki thing
I wanna roll

And if you wanna tell me
Tell me what you want
And baby, we can let it go

Crazy, you're making me high
I'm doing things I'd never do
I'm out of my mind

Say, say, say
Baby, that you want it too
Everything you wanna do
It's on tonight

Say, say, say
We're gonna break all the rules
It only takes me and you
To start the fire, ooh

Lady, you're seeing me fall
I wanna see that shake
Shake, shake

I wanna see it all
Show me how to let go
Take me up there with you
Don't take it slow

'Cause when I see you do that
Chiki, chiki, chiki, chiki thing
I wanna roll

And if you wanna tell me
Tell me what you want
And baby, we can let it go

Crazy, you're making me high
I'm about to lose control
You, I can't deny

Say, say, say
Baby, that you want it too
Everything you wanna do
It's on tonight

Say, say, say
We're gonna break all the rules
It only takes me and you
To start the fire, ooh

Start the fire
Start the fire
Start the fire

I like the way you chiki, chiki
Start the fire
Uhh, you gotta give me, give me
Start the fire

Soon you gotta tell me, tell me
Start the fire
Uhh, I like it when you
Start the fire

Say, say, say
Baby, that you want it too
Everything you wanna do
It's on tonight

Say, say, say
We're gonna break all the rules
It only takes me and you
To start the fire, ooh
