Bir anlkem dediler  
(They said it was just for a moment)  
Kıldım yar  
(I was heartbroken, darling)  
Aldatıyor dediler  
(They said you were betraying)  
Aldırıyor dediler  
(They said you didn't care)  
Yıldım yar  
(I collapsed, darling)  
Deli gibi yrekte sevmeli  
(One must love crazily by heart)  
Uruna dünyalar vermeli  
(Must give the worlds for the other's sake)  
Ncitemmeli sevenleri  
(Mustn't hurt the one who loves)  
Değerlerini bilmeli  
(Must appreciate it's worth)  
Oooo  
Unutmamalı o güzel günleri  
(Mustn't forget those beautiful ways)  
Anlarla günleri hoş tutmalı  
(Must keep it's heart pleasant with the memories)  
Avutabilmeli  
(Must be able to soothe)  
Hatırlamal, sevgiyle anmalı  
(Must remember, must remember with love)  
Mithlerle yarınlar hoş tutmalı  
(Must keep the tomorrows pleasant with the hopes)  
Ayrımamalı  
(Mustn't set apart)
