The face of an angel; pretty eyes that shine  
I lie awake at night wishing you were mine  
Im standing here holding the biggest heartache in town  
Whenever you come around

I get weak in the knees; and I lose my breath  
Oh I try to speak but the words wont come  
Im so scared to death  
And when you smile that smile the world turns upside  
down  
Whenever you come around

I feel so helpless; I feel just like a kid  
What is it about you that keeps my feelings hid  
I wish I could tell you, but the words cant be found

Whenever you come around

I get weak in the knees; and I lose my breath  
Oh I try to speak but the words wont come  
Im so scared to death  
And when you smile that smile the world turns upside  
down  
Whenever you come around

And when you smile that smile  
The world turns upside down  
Whenever you come around  
Whenever you come around
