While I'm out here doing all, she's peaking my dinner
She know this woman and she thinks I'm a winner
Coming here a little late, after the day break
She never say the word , baby are you ok?
All this disrespect, I didn't put her through
I heard the girl didn't love me, what I'm gonna do
'cause now is going .. it happens to me
Scary thing about it, she ain't being me.

Chorus:

... I have while the ..
why the hell she didn't treat me right
I don't know, she got me nervous, I don't know
Ohh, I've been put the way down, took a crown
Why the hell she treatin' me right, ohh yeah.

Got this house to quiet, too big sure I'm rest in
But I can't sleep now, so when I won't let me
I'm scared this hell, could she be home
A woman ain't this good, ...
Somebody help me, you're ovet these fears,
I'ma cry man, cryin in my tears
If anybosa knows, what I'm talking about
.. right now, you'll be out.

Chorus:

... I have while the ..
why the hell she didn't treat me right
I don't know, she got me nervous, I don't know
Ohh, I've been put the way down, took a crown
Why the hell she treatin' me right, ohh yeah.
She got me nervous, she got me nervous.

After the .. I've done, all I've done
Why she wanna treat me right, (why she wanna treat
me right)
... why she wanna treat me right
...all night long
Why wanna treat me right, feeling kind of nervous now
(feeling kind of nervous now)

[Chorus:]

I don't know, I don't know

This girl..to get a ..in my phone ..and follow me

Don't know what it is, and when it's all ..

That's why I go .. that's why I go to sleep

I don't know what I ..

She got me nervous, she got me nervous, nervous

I'm looking over my shoulder

Don't trust nobody.

Thanks to greta
