"Dancing On The Wire"

Visit "[Dancing On The Wire](#)" on MotoLyrics.com

You are the child of fire and I'm of ice
And you struggle to be a flyer whereas shadows are
my disguise
You reach for the heights, the loneliness of majesty
In the kaleidoscope of lights you have reached your
victory
So bitter so sweet

You are dancing on the wire, you laugh and I weep
You are dancing on the wire and my sorrow has grown
deep

From my love you were delighted
Though it was clear that we sailed on different streams
Like the stars we are divided and I'll be lost in your
dreams
So bitter so sweet

You are dancing on the wire, you hear the highest
praise
You are dancing on the wire and I'm no one in so place
On the wire

You reach for the heights, the loneliness of majesty
In the kaleidoscope of lights you have reached your
victory
So bitter so sweet

You are dancing on the wire, you laugh and I weep
You're dancing on the wire, you fly and I creep
You're dancing on the wire and I'm falling out of sight
You're dancing, dancing, dancing, 'till you fall amidst
your flight
Like me into the night
