God knows I love you
Meaning I love you as much as I can
How could you trust me
I should've said
I'm not the right kind of man

Don't wanna tell more lies
Don't wanna blind your eyes
We can't go on, our time has gone
Oh can't you see, oh can't you see
There is no return
Oh baby, no return

God knows it hurts me
To see how this betrayal of mine hurts you
I thought that this time
I wouldn't let you down but now I do

Don't wanna tell more lies
Don't wanna blind your eyes
Now it must be clear
You weren't even near
To my heart, lies from the start
There's no return
Oh baby, no return

You must bury your love deep
Don't let the painful cracks
Of broken heart show
But never turn cold
Tomorrow stays there always
So you'll never know

I won't tell more lies
I won't blind your eyes
But someone may and that's the way
Of no return
Oh baby, no return
