AGUA DE BEBER (DRINKING WATER)

Your love is rain, my heart the flower.

I need your love or I will die.

My very life is in your power,

will I wither and fade or blossom in the sky.

Agua de beber,

give the flower water to drink.

Agua de beber,

give the flower water to drink.

The rain can fall on distant deserts,

the rain can fall upon the sea.

The rain can fall upon the flowers.

Since the rain has to fall, let it fall on me.

Agua de beber,

agua de beber camara.

Agua de beber,

agua de beber camara.

I'll never see another springtime,

I'll never feel the summer sun

unless you're there to share that springtime

and like the rain and the flower our hearts are one.

Agua de beber,

give the flower water to drink.

Agua de beber,

give the flower water to drink.
