I'm the one that does the rockin' over here here
I paid my dues and now I'm makin' moves this year
year
Turn up the radio I kicks it very crystal clear
Where beats combine with rhyme to blow your mind the
atmosphere
Is getting heated like a thermostat
U hear my vocal then ya say "yo who the hell is that?"
Some other isht when u was searchin' for some verbal
stimulation
U heard the same wack record on a ho hum station
Tarsha Vega & the Pop Rox clique
We got a bunch of hits & mad bits in our microchips
Tonight we celebratin' cause we just got paid
I be the one that does the rockin' till the darkness fades

I'm da one that does the rockin' over here
Beats dat be freakin' yo ears
The party got ya goin' oh yeah oh yeah oh yeah oh
yeah and
I'm da one that does the rockin' over here
Sound b'woi me never test no fear
Thru the summer and the winter all year all year all
year all year

I'm the one that does the rockin' at the disco (disco)
Got dumps like a truck ask Sisquo (Sisquo)
U in the corner gettin' sauced like tabasco (tabasco)
Act up n get the boot u little rascal
Graduates flip ya tassles
I meet u in the parking lot behind White Castle
And the party go on till there's no mo songs
And the lights go down on the whole damn town
How many D.J.'s must get dissed
How many tumors must get cyst
How many kids got lyrics like these
They wanna be the driver ain't got the keys
Like Saline I beez solution to yo blindness
If u rock contacts u still ain't find this
Tonight I'm bout the party never worry bout the future
I be sexin' in the summer like my name is Kama Sutra

I'm da one that does the rockin' over here
Beats dat be freakin' yo ears
The party got ya goin' oh yeah oh yeah oh yeah oh
yeah and
I'm da one that does the rockin' over here
Sound b'woi me never test no fear
Thru the summer and the winter all year all year all
year all year
