ooh ooh ooh yeah yeah yeah yeah

I guess your wondering how to make it through
some times you feel like you don't know what to do .
there is a solution to your every problem so put your
trust in his hands and go along with his plan only he
knows
my destiny.

chorus

Don't you be weary (repeat 4 time)
oh don't you weary ooh ooh
I guess your wondering how to make things through ,
sometimes you feel like you don't know what to do
there is a solution to your every, every problem so
put your trust in the master's hand and go along with
his plan
only he knows my destiny.

chorus don't you be weary no

It will be alright yeah he love's you he care's for you
don't be weary no,no,no,no,no,no don't you be weary
yes he love's you (5 times)
don't give up don't give in hold on my friend ,he will
supply your need every every every need oh yes he
loves you yes he loves you.
