What it is, had me deep inside  
Said he got caught up this one night  
Didn't wanna know his reasons why  
Too tired to even fight

Said goodbye and I closed the door  
Thought I wouldn't love again no more  
Then one day, there you were  
Here to take away the hurt

No more lonely days, baby, you're the best  
Took away the stress, I can't take it now  
It's a brighter day since you came my way  
What you do to me, baby, can't get enough

Baby, you'll be my cure from pain  
You'll be my sun in the rain  
I'm fallin' in love, I can't get enough  
'Cause you'll be my remedy

You'll be my cure from the pain  
Even my sun in the rain  
I'm fallin' in love, I can't get enough  
'Cause you'll be my remedy

Doctor, doctor can you make a house call?  
Do what you do, make my heart fall  
Felt like I never been loved at all  
Never been kissed till you came along

Whatever's wrong you can make it right  
Shoulda found you first, wasted so much time  
Gave me your heart, so I gave you mine  
Told me everything will be alright

No more lonely days, baby, you're the best  
Took away the stress, I can't take it now  
It's a brighter day since you came my way  
What you do to me, baby, can't get enough

Baby, you'll be my cure from pain  
You'll be my sun in the rain

I'm fallin' in love, I can't get enough  
'Cause you'll be my remedy

You'll be my cure from the pain  
Even my sun in the rain  
I'm fallin' in love, I can't get enough  
'Cause you'll be my remedy

So glad you found me and put your arms 'round me  
babe  
Much too much wasted time being some place I didn't  
need to be  
No, no, no, but dem days gone away, baby I was so  
bad I say  
I wanna tell the world just how you came  
And changed my life with what you mean to me

Baby, you'll be my cure from pain  
You'll be my sun in the rain  
I'm fallin' in love, I can't get enough  
'Cause you'll be my remedy

You'll be my cure from the pain  
Even my sun in the rain  
I'm fallin' in love, I can't get enough  
'Cause you'll be my remedy

You'll be my cure from pain  
You'll be my sun in the rain  
I'm fallin' in love, I can't get enough  
'Cause you'll be my remedy

You'll be my cure from the pain  
Even my sun in the rain  
I'm fallin' in love, I can't get enough  
'Cause you'll be my remedy
