### Verse 1:

So you say things are impossible for you  
and life keeps playing its tricks  
and giving you blow after blow.

One minute you're up and then the  
next you are down,  
One day there's a smile  
in the midst of a sound there's a frown  
But you can make it...

### Chorus:

Yes you can, yes you will  
you can make it, you can win.  
Oh, yes you can, yes you will,  
you can make it, you can...  
As long as your heart says yes,  
always try hard and do your best.  
Yes you can, yes you will,  
you can make it, you can win.  
Yes you can, yes you will  
you can make it...

### Verse 2:

There is nothing in life that you cannot achieve  
No matter how far away it seems  
you just keep on, keep on believing

And soon one day, you'll see  
you will finally reach your goal  
and all that you've worked for  
was worth it and more but you  
you can make it...

### Chorus:

Yes you can, yes you will  
you can make it, you can win.  
Oh, yes you can, yes you will,  
you can make it, you can...  
As long as your heart says yes,  
always try hard and do your best.

Bridge:

Anything worth having is worth fighting for.  
Gotta see yourself fighting through  
and all things done.  
If you can dream it, you can mean it,  
just believe it.  
If you can dream it, you can mean it,  
just believe...  
Believe...

Chorus:

Yes you can, yes you will  
you can make it, you can win.  
Oh, yes you can, yes you will,  
you can make it, you can...  
As long as your heart says yes,  
always try hard and do your best.  
Yes you can yes you will,  
you can make it, you can win.  
Oh, Yes you can, yes you will,  
you can make it, you can make it.  
Yes you can, yes you will  
you can make it, you can win  
yes you can, yes you will,  
you can make it,  
you... you can win...
