I'm wide awake with the sacred sun  
Sending echoes out to distant places  
I hear the watch ticking on your wrist  
Sleeping beauty I could not resist you  
My head is aching from yesterday  
Feeling guilty must be on my way

There's a voice deep inside of me  
It took me by surprise  
Now I know where my heart lies

I'm crawling back for my life  
Pleading to my love  
I've been lost in my desire  
I was drinking, wasn't thinking  
And I'm sorry if it makes you cry  
...oh yeah

You call me up on the telephone  
You say you need me cause you're cold and lonely  
Tempted by you, but I have to say  
Could never walk away from my girl

There's a voice deep inside of me  
It took me by surprise  
Now I know where my soul lies  
...oh yeah  
A feeling I can't deny  
It made me realize  
Now I know why my heart cries

Crawling back for my life  
Begging to my love  
I've been lost inside the fire  
I was drinking, wasn't thinking  
And I didn't mean to make you cry  
I was breaking the rule  
Acting like a fool  
Getting close to you  
I was a chancer, a fake romancer  
But now I know

Where my heart is true  
Where my heart is true

Crawling back for my life  
Pleading to my love  
I've been lost in my desire  
I was drinking, wasn't thinking  
And I'm sorry if it makes you cry  
I was breaking the rule  
Acting like a fool  
Getting close to you  
I was a chancer, a fake romancer  
But now I'm home  
Where my heart is true  
Where my heart is true
