[Missy]

Uh, uh-huh, uh, yo

1 - [Gina]

Talking all that yadi ya

Makes me wanna say bye to ya

Boy your body's really fly but you're

Getting on my nerves all day, all night

With all that yadi ya

Really I can't lie to ya

I'm really getting sick and tired of ya

Getting on my nerves all day, all night

Coming in late, from a good night

Once I get in, it don't feel right

Your all up tight, from the first sight

Cause I did not return your page, well

So you page me well that's nice

If you page me once or twice

But it's crazy, like ten times

So tell me why you

Repeat 1

So you got a stinking attitude

Well guess what, I'm not in the mood

For the drama, this evening

So I think you should be leaving

I don't need this, it don't pay bills

There are more guys with more skills

Yeah your fly but your mouth kills

Everything fly about you

Repeat 1

Right now I think you should be walking, walking

Cause I'm so sick of all your talking, talking

And later on no need to calling me, calling me

On the phone when your feeling alone

Because it is all sounding like your yadi ya

[Missy]
Boy why you, aggravate me
Everything you say
Agitates me
You've been bugging me
Like you hate me
And you be talking all that ya-ya-ya
I'ma keep it real
Here's the real deal
You need to chill on out
Get up out of here
Don't try to play me
Unless you pay my bills
So what the hell with all that ya, uh

Repeat 1 till end
