Ooh why, ooh why
Ooh why, ooh why
Why do fools fall in love

[Mocha]
Uh, yo
You wanna be the one I call on right?
You wanna be the one to tell me it's alright?
Well ya'll cats it's all alike
Let me say this here
This year, about this Miss here
This clear?
Won't drip tears, but you can kick the wrist wear
This fair, gon' leave if he don't kick his share
And you gon' get where the scoop, who?
I ain't there
What you do is choose to disappear

[Gina]
My man, he had game
He gave me things
And he bought me gifts, eh eh eh (eh eh eh)
He let me drive his whip
And so I trusted him, I trusted him
All above
Why do fools fall in love

1 - Why does the rain fall from above
Why do fools fall in love
Why do they fall in love

Why does the rain fall from above
Why do fools fall in love
Why do they fall in love

[Gina]
My man, he turned me out
And that's no doubt
He got the keys to my heart
I wonder if he loves me? (he loves me)
Well he told me so

He said that he won't let me go
But I still don't know
Why do fools fall in love

Repeat 1

Love is a losing game
Love can't be full of shame
I know I'm a fool you see
Because that fool was me

Tell me why, why, why
Tell me why
(Somebody tell me why)
Why do fools fall in love

3 - [Mocha]

You wanna be the one I call on right?
You wanna be the one to tell me it's alright

Repeat 3 until fade
