1. There's a way for us to wander
If you look straight to the east,
Leading back into the garden
To the leaves of an old tree.

2. "One and twain" keeps me still wond'ring,
But it shows a big harmony.
Lead me back into the garden
To the leaves of that tree - GINKGO TREE!

Vocoder: Ginkgo Tree

3. See the leaf, two parts united,
For so long, millions of years -
Living thing, stronger than mankind
Did survive fires and fears.

4. And I know two poles surround me
In the world, wherever I'll be.
It's the same as in the garden
At the leaves of that tree - GINKGO TREE!
