Elephant spirits
Tower of ivory
Story of ancient deities
Seizure of the fleece
Protector of it's place
Fly thru dreamscapes
Of valleys gullies and spires
Herd across suicidal slopes
Changeless moonshines
Circle cyclops image
A race of one-eyed beings
All feared and shunned
Rakshasa demon
Seizure of the fleece
Protector of it's place
Eyes all around you
Enter the labyrinth
Visions of the hunted
Beware the birchmen
Incisors thought to be
Skulls of us
