ALL AT ONCE by Fermin Gallegos
you know inside
let's ride, across
the stars tonight.

Love has been so long
the way for us,
so long you gonna know.

And tonight, your soul
is scared to ride
so it's time I thought you,
nothing makes love so true...

all at once,
i needed you more
thank you know,
all at once
i needed to melt
like snow.

all at once
i wanted you
in my life,
I hope that there's
love tonight.

all at once
i needed you
in my dreams,
all at once
i wanted you
love me,
all at once
i wanted fly
so high

I hope there's
more love tonight...

tonight...

[...Music...]

Strange of the eye
so true,
fairytales so real.

when you and
I are dancing,

you make, my feel,
my kind of sky.
inside...
a merical's alive

when you look at me,
something is true to me.

all at once,
i needed you more
thank you know,
all at once
i needed to melt
like snow.

all at once
i wanted you
in my life,
I hope that there's
love tonight.

all at once
i needed... in my dreams...
once i wanted you... love me...

all at once
i wanted to fly so high,
i hope there's
more love tonight.
