MY DILEMMA by Fermin Gallegos
You make me so upset
sometimes
I feel like I could lose my mind
the conversation goes nowhere
cuz you're never gonna take me there

And I know what I know
and I know you're no good for me
yeah, I know, what I know
and I know it's not mean to be

Here is my dilemma
one half of me wants you
and the other half wants to forget
my-my-my dilemma
from the moment I met you
I just can't get you out of my head
and I tell myself to run from you
but I find myself attracted to my dilemma
My dilemma, it's you

Your eyes have told a thousand lies
but I believe 'em when they look in mine
I hear rumors but you won't come clean
I guess I'm hoping it's because of me

And I know what know
and I know you're no good for me

Here is my dilemma
one half of me wants you

I could live without you
but I don't wanna
I don't wanna, oh

You make me upset sometimes

Here is my dilemma
one half of me wants you
it's you (11x)

my-my-my dilemma
