TWO MORE LONELY PEOPLE by Fermin Gallegos
I need
to
feel your heartbeat when you say you love me
I don't wanna hear it if it's something that you don't
mean
If I had to leave you now, there would be an empty
space
It doesn't matter anyhow, you can't take your things,
and go your own way!

Yea there's two more lonely people, in the world
tonight, baby you and I
And there's two more lonely people,
who gave up the fight, yea I'm on a ride
Well, you know my heart is achin' and you don't have
to break it, if love don't change your mind
Yea, there's two more lonely people, tonight...

I don't want your pictures, I don't want your sympathy
We don't have to be friends, we don't have to be
enemies
In my head I break it down, and I am absolutely sure
That you and I could work it out,
or we could kill the lights, on what we had before!

Yea there's two more lonely people, in the world
tonight, baby you and I
And there's two more lonely people,
who gave up the fight, yea I'm on a ride
Well, you know my heart is achin' and you don't have
to break it, if love don't change your mind
Yea, there's two more lonely people...

Well, we got somethin' special, that should be enough
Nothing unpredictable when it comes to love
Maybe, lately, baby, we could feel a little love
And if you would walk away tonight

There'll be two more lonely people, in the world tonight,
baby you and I
There'll be two more lonely people, who gave up the

fight
Yea there's two more lonely people, in the world
tonight, baby you and I
Well, there's two more lonely people,
who gave up the fight, yea I'm on a ride
Well, you know my heart is achin' and you don't have
to break it, if love don't change your mind.
Yea, there's two more lonely people, tonight...
