WELCOME TO BURLESQUE by Fermin Gallegos
Show a little
more, show a little less
Add a little smoke, welcome to Burlesque

Everything you dream of, but never can possess
Nothing's what it seems, welcome to Burlesque

Coro:
Oh, everyone is buying, put your money in my hand
If you got a little extra, (oh well), give it to the band.

You may not be guilty, but you're ready to confess
Tell me what you need, welcome to Burlesque

You can dream of Coco, do it at your risk
The triplets grant you mercy, but not your every wish
Jessie keeps you guessing, so cool and statuesque
Behave yourself says Georgia, welcome to Burlesque

Oh, everyone is buying, put your money in my hand
If you wanna a little extra, well, you know where I am

Something very dark, just playing with your mind
It's not the end of days, it's just the bump and grind

Show a little more
Show a little less
Add a little smoke
Welcome to ,,,Burlesque.
