#### [Intro]

You're my lady always been so true  
This is why, I sing this song for you  
And you're my lady, always in my life  
And I wanna thank you, for being down to ride

#### [Verse 1]

Forever yours forever mine our love will always  
Shine no matter the situation you where always  
By my side never the less you brought the  
Best of me, the years that I' lived  
Only love that I got my right hand by best friend  
Who must of sent Such an angel to this world  
That is cold you belong in the heavens not this  
Ignorant world you're my girl my all best thing  
A man could ever have  
Im glad that your mine and I'm proud to be your man  
Understand that theres no other if there is just  
A few staying true like you never breaking  
No rule lord forgive me for the things I have done  
To you if you werent up in my life I wouldn't know  
What to do wont complain about no money didn't  
Faze when I was broke all we needed was each other  
Love to strong to let go  
If I die tonight all I wanna let you know  
Remenise on what we had hold me thight  
And don't let go girl

#### [Chorus]

Oh girl you're the one for me  
Never ever let me down  
You will always be around  
Girl I have to thank you baby  
Always standing by my side  
So don't you ever leave my life

#### [Verse 2]

Even through these hard times we continue to face  
It's like deep inside of me you could never be Replaced  
Like when we struggle we get tested in faith  
But you been strong and stood by me every step-a-the-

way

I thank the lord for the day he brought you into my life  
Changed my world -my destiny - and gave me new life  
So if you got somebody special - that's always been  
true

Show love and take note in everything that they do  
I could neva take for granted what she's done for me  
Even when we disagree she still stands by me  
Late night - road trips- showin' mad support  
The typa-girl-that every homie should be keepin' close  
Cuz your that typa-a-girl that neva let me down  
Encouraged me to see the light when no one else  
would come  
Around, down when I had money- and down when I was  
broke  
So if I die tonight hold me tight and don't let go!

[Chorus]

[Verse 3]

I guess that you can say I owe my life to you the  
Only dream that really matters is to be with you cuzz  
Even though we argue and we fight some times  
Youll always be my queen untill the end of times  
Im giving love to the one that always stood by my side  
If you ever need me baby for you I give my life  
You been so true thats why its you these feelings I wont  
Hide my love goes out to you girl I never leave your  
side yeah

[Chorus]
