Suffocate for me?
well you can pretend that you're pretty?
it's too loud in here for me to tell?
I wonder when you move?
do you look to see who's watching you?
locked in the groove, little bird?
what will it cost to buy you back?
to buy your eyes, to buy your smile?
well she wants to be the same?
she wants a new name?
she wants a new disguise?

And all I want is you?
all I want's the truth?
she's got a new disguise?
pull the shade and lock the door?
you don't need it anymore?
she's got a new disguise?

suffocate for me, little bird?
mirrors over your bed?
god lives above your head, little bird?
well I remember everything you say?
everything you do, everything you always wanted?
breathe for me, little bird?

where is the face that you know?
