How many special people change  
How many lives are living strange  
Where were you while we were getting high?

Slowly walking down the hall  
Faster than a cannon ball  
Where were you while we were getting high?

Some day you will find me  
Caught beneath the landslide  
In a champagne supernova in the sky

Some day you will find me  
Caught beneath the landslide  
In a champagne supernova  
A champagne supernova in the sky

Wake up the dawn and ask her why  
A dreamer dreams and never dies  
Wipe that tear away now from your eyes

Slowly walking down the hall  
Faster than a cannon ball  
Where were you while we were getting higher?

Some day you will find me  
Caught beneath the landslide  
In a champagne supernova  
A champagne supernova in the sky

'Cause people believe they<sup>re</sup>  
Gonna get away for the summer, no no, no no  
You and I, we live and die  
The world<sup>s</sup> still spinning 'round  
We don<sup>t</sup> know why, why

How many special people change  
How many lives are living strange  
Where were you while we were getting high?

Some day you will find me  
Caught beneath the landslide

In a champagne supernova  
A champagne supernova in the sky

'Cause people believe they're  
Gonna get away for the summer  
But you and I, we live and die  
The world's still spinning 'round  
And we don't know why, why  
Don't know why

How many special people change  
How many lives are living strange  
Where were you while we were getting high?

And we were getting high  
Getting high, getting high  
Oh, we were getting high
