Eating time and leaving crumbs
Spilling wine like water runs
Blue sky in my window
Pull the shade down

I am just a little boy
Thirty years still breaking toys

Got no time for peace
Killing the dove
No time for anything
Not even God above

10, 9, 8, 7 all good boys go to heaven
6, 5, 4, 3 listen to the clock ticking
This is too much for one
Got no time to come undone

Sunshine in the pourin' rain
Welcome to my twisted fate
Whiskey in my hand
No woman in my arms

I am just a little boy
Thirty years still breaking toys

Got no time for peace
Killing the dove
No time for anything
Not even God above

10, 9, 8, 7 all good boys go to heaven
6, 5, 4, 3 listen to the clock ticking
This is too much for one
Got no time to come undone

Got no time for peace and
Killing the dove
No time for anything
Not even God above

10, 9, 8, 7 all good boys go to heaven

6, 5, 4, 3 listen to the clock ticking
This is too much for one
Got no time, got no time to come undone
