I wanna choke  
I wanna lay down  
It's harder to cope  
With you not here now

The shadow needs a sun  
A dreamer needs a first star  
I know it's just begun  
To feel so bad

For so long  
It's all I've had  
Since you've been gone  
If you don't come back home  
It's gonna be so bad  
For so long

Out on the road  
I am a wheel now  
You are the spoke  
And out love goes round

A shadow needs a sun  
A dreamer needs a first star  
I know it's just begun  
To feel so bad

For so long  
It's all I've had  
Since you've been gone  
And if you don't come back home

It's gonna be so bad  
For so long  
So bad, so long  
All I've had  
Since you been gone

Gonna be so bad  
So long  
It's all I've had  
Since you been gone

If you don't come back home

Gonna be so bad, so long  
It's all I've had  
Since you've been gone

So bad, so long  
It's all I've had

So bad, so long  
It's all I've had  
Since you been gone
