Only Virginia so very kind
All of her anyway that you desire
Only Virginia so crucified
And all of her dying keeps her alive

And swell
Made up for everyone else
Happy and horribly well
The girl with her soul on a shelf

Only Virginia knows how to bleed
All of her giving never comes free
Only Virginia so desperately
Wanting the whole world watching her misery

Swell
Made up for everyone else
Happy and horribly well

Hello misunderstood so go the lonely
Tracing your ashes to wood
So go the lonely and you are the only
