In an ordinary love  
In an extraordinary love  
and if the moon right then baby this is the night that  
we'll be makin' some  
(makin' some)  
extraordinary love

Verse 1:

I was dancin with him all night  
can't remember what the song was  
gotta say that it was alright doing that thing you do  
(ooh yeah!)  
I was under no illusion  
cuz I've felt the same before, but it felt like I was  
floating,  
drifting out from the shore  
(ooh yeah!)

And I don't know how I got here  
but I hope I'm here to stay always

Chorus:

In an ordinary love  
In an extraordinary love  
and if the moon right then baby this is the night that  
we'll be makin' some  
(makin' some)  
extraordinary love (ooh yeah) 2x

Verse 2:

So he took me to the movies  
Can't remember what the film was  
Cuz the only thing that mattered  
Was feeling his hand in mine  
(ooh yeah)  
Then he moved a little closer  
He could my heart beating  
And the next thing I remember  
Was his lips next to mine  
(ooh yeah!)

And I'm so glad that I got here  
Cuz heaven's just a breath away  
OOH YEAH!

chorus 2x

It's a key that open hearts  
Shines a light into the dark  
And if the moon is right tonight  
We'll be makin' some (makin' some 2x)  
EXTRAORDINARY LOVE!!!

chorus til fade.
