(Let's keep the girls on top)
(OoH, Ooh)
Ooh, ooh
Ooh, ooh
Ooh, ooh

We're steppin' out, we're puttin' it all about
And the night is young
It's getting light, we been funk'in' through the night
And the heat is on

(Bridge)
First you gotta live it, then you gotta dig it
If you wanna win it, you gotta lose it, baby
First you gotta move it, then you gotta prove it
If you're gonna do it, you're going

(Chorus)
Koo koo, outta your brain goin' insane
You're like a see saw up then down round and round
We got the chi chi, keepin' it clean, diggin' the scene
You got the ooh, ooh, ain't gonna drop
Let's keep the girls on top

Let's keep the girls on top

It's gettin' late, and we're still lookin' great
And thae beat is strong
One thing ya learn is you just gotta burn
When the heat is on, heat is on

(Repeat bridge & chorus)

When you reach the top
You ain't never gonna wanna come down
When you reach the top
You ain't never gonna wanna come down
When you reach the top
You ain't never gonna wanna come down

T-O-P, yeah, to the top, stop

(Repeat chorus twice)

Ooh, ooh (the girls, let's keep the girl on top)

Ooh, ooh (the girls on top)

Let's keep the girls on top

Ooh, ooh

Let's keep the girls on top

Ooh ooh, (Let's keep the girls on top)

The girls on top

Ooh, ooh

Let's keep the girls on top

Ooh, ooh

Let's keep the girls on top
