Chorus :

Where do I go, what do I do
When everywhere I turn it just reminds me of you
Now that it's clear, there are no more tears for me to
cry
Now it's time that I said my last goodbye

Verse 1 :

People will promise things, and swear they'll be true,
don't always fool yourself,
like all the others do
I've been guilty thinking, this was a dream,
when all of the time it wasn't quite what it seemed.

Bridge 1 :

Half of my memories still wants you back
Remember half of your friends were mine.
(Half of your friends were mine)
But can you tell me...

Chorus

Verse 2 :

From time to time, I hear them whisper your name,
Just when I think I'm over you,
It makes it alright again
I hope you're happy with the choices you've made
Your love was a gamble that's the price I paid

Bridge 2 :

But half of my heart still wants you back
Remember half of your life was mine
(Half of your life was mine)
So won't you tell me

Chorus

Mid 8 :

I hope you're regretting, (letting me go) yeah let me go
Now it's time to say goodbye
I've got no more tears to cry

There's something that I've got to know, baby...yeah

Chorus to fade
