Clap, clap for me 2-3-4  
Let it clap now take it to the floor  
Rock-a-way for me 2-3-4  
Do ya own thing show me  
What you got your butt for

Find a clap then I rock-a-way  
I rock for days  
Turn around and drop my thang  
Uh Miss T and i'm way above  
Nobody wants to step in the name of love

Name of love  
No slow dancin in the club  
I'm the one that you think you know  
Huh you wanna take me home  
It's okay cuz I don't wanna be alone

Be alone  
Don't get loud you better watch your tone  
The way I grind on ya boy it'll make you moan

Uh you can't hit it, hit it play your cards right  
Don't think you could get it, get it on the first night  
On the first night feelin kinda freaky that's alright  
Do what you wanna do tonight  
Just make sure you do it like that  
Bring the hook back uh

Clap, clap for me 2-3-4  
Let me clap now take it the floor  
Rock-a-way for me 2-3-4  
Do ya own thing show me  
What you got your butt for

Clap, clap for me 2-3-4  
Let me clap now take it to the floor  
Rock-a-way for me 2-3-4  
Do ya own thing show me  
What you got your butt for

I'm gettin stares from across the way  
Cuz i'm hated and i'm bout to be dated everyday  
What more can I say  
I'ma baller man  
Don't test me cuz I might call your man
