If you wanna get in my bikini bottom
Baby boy but you cannot ride em
Come over and talk to me boy
Yeah I'm plain hard to get

I know you can
I in my bottoms
You need to roll
But you cannot rock em
It's easy to stop em
Cuz when it come to the job boy
You know that I drop em
It's so easy
To wear the red like this
Or I switch it up and wear the white like this
Or then I take it back and wear the blue like this
But when you try to touch that's when you get
dismissed
AshLay be the one that don't play
I'm signin to the dance floor you ready (okay)
On your mark, ready, set, let's go
Hold on tight boy don't lose control
I know you wanna come talk to me
Uhh I know you wanna come get wit me
Uhh I knwo you wanna come dance wit me
And now you wanna go leave wit me
Let's go

If you wanna get in my bikini bottom
Baby boy but you cannot ride em
Come over and talk to me boy
Yeah i'm plain hard to get

If you wanna get in my bikini bottom
Baby boy but you cannot ride em
Come over and talk to me boy
Yeah i'm plain hard to get

Red, yellow and green bikini
Why dem dudes wanna get inside and start em up
Like a Harley and ride em

I'm not a sponge i'm a white girl flat and square
You wanna rub and tug and push on my tush
I make you fall in love
No matter what I wear pink cushions
Don't lose it, use it
Simply two clap back and make beautiful music
And the lecture don't test her
got no curves then the coke bottle commercial
On ya mark, get set, go
Oh I don't think so
Yellow mean take it slow
Red like green light let's go
Let's see here's your dream
In my bikini bottoms

You wanna get in my bikini bottom
Baby boy but you cannot ride em
Come over and talk to me boy
Yeah I'm plain hard to get

You wanna get in my bikini bottom
Baby boy but you cannot ride em
Come over and talk to me boy
Yeah I'm plain hard to get

B-I-K-I-N-I vite em
Girls if you got em you gotta rock em
Ladies in the house we don't stop
And the fellas in the house we won't stop

B-I-K-I-N-I vite em
Girls if you got em you gotta rock em
Ladies in the house we don't stop
And ther fellas in the house we won't stop

When I saw em i bought em
Cuz I love the way that bikini fit to my bottom
The way i rock em you like that
The way I make it clap back
And after that you want em
You think to yourself jump on it
And you girl ain't got nothin on it
And ooh wee
That's why ya man keep lookin at me in my dirty denim
jean bikini
He wanna untie the string
Already hot he drippin in wet
On yo mark let's go i'm ready to roll
Cuz i'm ready to jet
