Damn your real sexy to me boy
Gotta tell you why (can't wait)
So forget about your girl
Come play wit your toy
You spoil me boy
You don't want me to lose it
So who ya choosen
Like how ya movin
Bet you know why (can't wait)
Got a lot that i wanna show ya
So let me know fa sho if you comin ova

Sexy me and i'm tryna see
Exactly how you do me
Forget about your girl
Boy come to my world
You know i'm gonna lose it

Can't see
Can't think
Can't breathe (bring it to me)

I want you so
I need you so
I want you so (can't wait)

Yes it's true that i'm crushin on you
Fallin for you and i (can't wait)
to hear the ringin on my phone
Cuz you home all alone
Callin me to come bring it on
To bring the remedy
Cuz i got what it takes to please all ya needs
And i (can't wait)
For you to dis her and make me yo girl
Cuz it ain't cool for you to have the best of both worlds

Sexy me i'm tryna see
Exactly how you do me
Forget about your girl
Boy come to my world

You know i'm gonna lose it
