I see what you see  
I know what you know  
I hear what you hear  
I feel what you feel  
Don't look through me like I am nothing  
Don't look through me like I am nothing  
I've got a wrench  
I've got a screw  
I've got a hammer  
But the nail isn't you  
Come with me we will build a housetree  
We will see  
We will tear down these streets  
Tear down these streets  
Tear down these streets  
I'm spinning, I'm turning around [?4]  
I'm turning around, I'm turning around  
I'm spinning, I'm turning around [?2]  
I see what you see  
I know what you know  
I hear what you hear  
I feel what you feel
