Won't sell my soul, to no mans rocking roll, part one

Breaking my cradle  
Cracking self invented codes  
Flying on my broom  
Into your room

I left my sister  
Behind the parking lot wall  
She grew up after all

I grew up  
She grew up

Flying the great space coaster  
Rescuing you, from detention hall  
Life line long  
Love thine hardly  
Life line long  
Love thine hardly  
There at all

There was matched in taro  
Predicting four kids in the comaro  
There was Matched in the taro  
Predicting four kids in the camero

We have the same size hands
