I got a habit of driving too fast
Guess that's why we've already started to run outta gas
It's time I do you a favor ... throw it in reverse
It's better to cash than to burn ... when will I learn?

[Pre-Chorus]

I made a big mistake, I wanna get out but
You're standing in my way, you gotta move so I can...

[Chorus]

Back Back Back outta this
Without running you over
Back Back Back outta this
Will it help if I go slower?
Gotta back back outta this
Without running you over
But, oh, uh, oh
If I break up will I break ya, oh

Don't wanna run you over

I never go anywhere without a plan
Gotta know the ways ...to get out if it gets outta hand
I made some promises I'd like to keep but I can't
That's not the girl that I am ...not who I am

[Pre-Chorus]

[Chorus]

We're in over your head
How can I make this
Green light turn red ...oh yeah
You should know... it's hurtin' me too
Gotta be a way to make this easier on you
Just what can I do ... to

[Chorus x2]
