Ya risuyu chjornoj kraskoj  
Na stene tupoe slovo  
Dlya menya ono ne vazhno  
Dlya tebya ono ne novo

Dlya menya ono naprasno  
Dlya tebya neobhodimo  
Ya risuyu chjornoj kraskoj  
Ya risuyu krivo krivo

Pulya v serdce  
Mozg na dvercu  
Nimb i kryl'ya odevaem  
Belyj plaschik  
Dushu v nebo  
Slozhim v yaschik  
Otpuskaem

[x2]

Vremya snova 20:10 [dvadcat' desyat']  
My s toboj sejchas ne vmeste  
Ty sidish' v uglu i plachesh'  
Mozhet byt' menya durachish'  
Ya lublyu tebya poslushat'  
Raskryvaj mne tol'ko dushu  
Mysli zdes' uzhe ne vazhny  
Vremya snova 20:20 [dvadcat' dvadcat']

[x2]

[English translation: White Robe]

I'm drawing with black paint  
A dumb word on the wall  
This word is not important for me  
This word is not new for you  
It's vain for me  
It's necessary for you  
I'm drawing with black paint  
This drawing is very messy

Bullet in the heart  
Brain on the door  
Nimb and wings  
We're putting on  
This white robe  
Soul to heaven  
We put it in a box  
We let it go

Time is 20:10 again  
We're not together now  
You're sitting in the corner and crying  
Maybe you're fooling me  
I enjoy listening to you  
Open only your soul to me  
Thoughts won't be needed here  
The time is 20:20 again
