Lyrics in latin font:

Chto ne hvatayet tebe
Chto ty prizhalas' ko mne?
Yesli by na lune
Bylo chut'-chut' tepleye
(Isn't this enough for you
That you would cuddle with me?
If we were on the moon
Where could be a little warmer)

Chto ne hvatayet tebe
Chto ty prilipla k stene?
Yesli by za oknom
Bylo chut'-chut' temneye
(Isn't this enough for you
Are you stuck to the wall
As if outside the window
It could be a little darker)

Ty ne uznayesh' kak menya zovut
Ya ne skazhu tebye chto ne hvatayet
Chto-to tseplyayet
Ya ne skazhu tebe, ne nado
Chto ne hvatayet tebe
Chto-to tseplyayet
(It's like you don't know my name
I won't tell you i've had enough
Something to catch me with
I won't tell you, i don't need to
This isn't enough for you
Something to catch me with)

Chto ne hvatayet tebe
Chto ty prizhalas' ko mne?
Yesli by na lune
Bylo chut'-chut' tepleye
(Isn't this enough for you
