Can you see me now?  
Can you see me now?

All this weeping in the air  
Who can tell where it will fall?  
Through floating forests in the air  
'Cross the rolling open sea

Blow a kiss, I run through air  
Leave the past, find nowhere  
Floating forests in the air  
Clowns all around you

Clowns that only let you know  
Where you let your senses go  
Clowns all around you  
It's a cross I need to bear

All this black and cruel despair  
This is an emergency  
Don't you hide your eyes from me  
Open them and see me now

Can you see me now?  
Can you see me now?

Can you see?  
Can you see?  
See me here in the air  
Not holding on to anywhere  
But holding on so beware  
I have secrets I won't share

See me here pushing you  
If I then deny I do  
Contemplate or wish away  
If I ask you not to stay

Clowns that only let you know  
Where you let your senses go  
Clowns all around you

It's a cross I need to bear

All this black and cruel despair  
This is an emergency  
Don't you hide your eyes from me  
Open them and see me now

[Klouny]

Poprosi menya'.

Ogon'ki privychnye  
Gasnut i konchayutsya.  
Tol'ko bezrazlichnye,  
Fanari kochayutsya

Mysli postoronnie  
Lishnie ne novye  
I potustaronnie  
Zavodnye klouny

Zavodnye klouny  
Sinie i krasnya  
Zavodnye klouny  
I slova naprasnye

Luchshe poprosi menya  
I prosnemsya novymi  
I prosnemsya sil'nymi  
Tol'ko poprosi menya

Poprosi menya'

Sinie krasnya  
Krasnye naprasnye  
Krasnye sinie  
I sovsem bessil'nye

Samye obychnye  
I sovsem ne novye  
Kukly bez razlichnye  
Zavodnye klouny

Na chetyre storony  
Vse chetyre levye  
A po pyatoi klouny  
Kukly ne umelye

Luchshe poprosi menya  
I prosnemsya novymi  
I prosnemsya sil'nymi

Tol'ko poprosi menya
