Can you feel it coming down?  
Comes down harder, harder  
Comes down faster, faster  
You're burning Hotcha!

You got my temperature rising  
Like El Nin-YO! [x4]

Can you feel the fire in my eyes?  
What my lips desire can't be denied  
I can take you to a place where the sun don't shine  
Oh owo wo, I'll melt your mind

*[Pre-Chorus]*

You could say  
I'm old fashioned  
But a circuit snaps when the temperature rises  
I'm all consumed by passion

*[Chorus]*

I need rain rain rain  
I'm burning up in here  
This drought's 'bout to disappear  
Rain rain rain  
I'm burning up in here  
Ready or not, open up

You got my temperature rising

Like El Nin-YO! [x4]

Don't leave me till I'm satisfied  
I won't say "NO" to something I haven't tried  
I won't object to my hands and feet being tied  
This girt don't know 'bout being shy

*[Pre-Chorus]*

*[Chorus]*

Open up and let it rain

You got my temperature rising

Like El Nin-YO! [x4]

Can you feel it coming down?  
Comes down harder, harder  
Comes down faster, faster

*[Chorus]*

Come on and let it rain

*[Chorus]*

Open up and let it rain

You got my temperature rising  
Like El Nin-YO! [x4]

You're burning Hotcha!
