Everybody does it  
That's what you keep saying  
Everybody doesn't  
Not everybody's playing  
I wanna be your girlfriend  
But you gotta put the pressure off  
Just stop

I think you've got  
A one track mind  
You're so focused on the destination  
That you're missing the ride  
You tell me  
You're a patient guy  
But we're not having conversations  
'Cause you're pre-occupied

If I loved you, I would  
If you loved me I wouldn't have to  
If I were in your shoes  
Never expect you to get down

*[Chorus]*

Everybody does it  
That's what you keep saying  
Everybody doesn't  
Not everybody's playing  
I wanna be your girlfriend  
But you gotta put the pressure off

Everybody does it  
That's what you keep saying  
Everybody doesn't  
Not everybody's playing  
I wanna be your girlfriend  
But you gotta put the pressure off

Ooh, you're good  
You try real hard  
So just fill out your application  
I'll let you know next year  
You don't believe

When I say no, no, no  
If you don't give me considerations  
Then you'll have to go

If I loved you, I would  
If you loved me I wouldn't have to  
If I were in your shoes  
Never expect you to get down

*[Chorus]*

Break it down for me baby  
Come and chill  
Turn the pressure off  
Come and dance with me sexy

Just Stop
