[JA SASHLA S UMA]

Ja sashla s uma, ja sashla s uma
Mne nuzhna ana, mne nuzhna ana
Ja sashla s uma, ja sashla s uma
Mne nuzhna ana, mne nuzhna ana

Ja sashla s uma...

Julia:
Menja palnostju njet
Absoljutno vser'ez
Situastsiya help
Situastsiya SOS

Ya sebja ne poimu
Ty atkuda vzjalas
Patshimu, patshimu?
Na tebja pavelas

Lena:
Vikljutshaestsja svet
Ya kuda - to letshu
Bez tebja menja njet
Nitshego ne khotshu

Eto medlennyj jad
Eto svodit s uma
A ani gavorjat - vinovata sama
A ani gavorjat - vinovata sama

Ja sashla s uma, ja sashla s uma
Mne nuzhna ana, mne nuzhna ana
Ja sashla s uma, ja sashla s uma
Mne nuzhna ana, mne nuzhna ana
Ja sashla s umaa...
Mne nuzhna onaaa...

Julia:

Bez tebja ja ne ja
Bez tebja menja net
A ani gavorjat
Gavory'jat eto bred

Eto solnetshniy jad
Zalotye lutshi
A ani gavorjat
Nado sratshno lechit'

Lena:
Ja khotela zabyt da upara i vniz
Ja schitala stalby i rasteryannykh ptits
Bez tebja menja net, atpusti, atpusti!
Da ugla pa stene... Mama papa, prasti...

Ja sashla s uma, ja sashla s uma
Mne nuzhna ana, mne nuzhna ana
Ja sashla s uma, ja sashla s uma
Mne nuzhna ana, mne nuzhna ana

Lena:
Raz, dva pasle pjati
Mama-papa, prasti
Ja sashla s uma

Yulia:
Raz, dva pasle pjati
Mama-papa, prasti
Ja sashla s uma

Ja sashla s uma, ja sashla s uma
Mne nuzhna ana, mne nuzhna ana
Ja sashla s uma, ja sashla s uma
Mne nuzhna ana, mne nuzhna ana

Ja sashla s uma, ja sashla s uma
Ja sashla s uma, ja sashla s uma...

[I HAVE LOST MY MIND]

I am all gone
It is very serious
Situation HELP
Situation SOS
I cannot understand myself
Where did you appear from?
The light is shutting down
I am flying somewhere
Without you there is no me
I don't want anything

It is the slow poison
It is making me crazy
But they say it is all my fault.

I've lost my mind
I've lost my mind
I need her
I need her
I have lost my mind
I need her.

Without you I am not myself
Without you there is no me
But they say, they say
It is delirium
It is poison from the sun
It is making me crazy
But they say it is all my fault
I did try to forget
To the end and down
I did count the poles
And confused birds
Without you there is no me
Let me go, let me go
To the corner and down
Mom, Dad forgive me

I've lost my mind
I've lost my mind
I need her
I need her
I have lost my mind
I need her.

1,2 go after 5
Mom, Dad forgive me
I've lost my mind

1,2 go after 5
Mom, Dad forgive me
I've lost my mind

I've lost my mind
I've lost my mind
I need her
I need her
I have lost my mind
I need her.
