Your enemy
I now your enemy
your enemy

Smoke of cigarettes
Old bouquet
Daily I look in the TV
The Balcony is open wide
Also the phone is silent
I choke without you
Also I repeat to myself

It has simply turned out so
I am now your enemy
For what crime
It has simply turned out so
I am now your enemy
I shall not ask for forgiveness

The city does not sleep
Time stops
With whom do you play today
Day or year
To me boycott is declared
I can not understand how to live now
You can not forgive

It has simply turned out so
I am now your enemy
For what crime
It has simply turned out so
I am now your enemy
I shall not ask for forgiveness

Your enemy
Your enemy

It has simply turned out so
I am now your enemy
For what crime
It has simply turned out so

I am now your enemy
I shall not ask for forgiveness
