You took a chance
And I learned how to deal with my life
You had to go
I had nothing
Just nothing but why

Why everything's broken
Why should I stay open
Open for you

But then my heart skipped a breath, whoa, whoa
Without a beat I forget. so, so, no
And I'm not ready to lose it all, whoa, whoa
But love is the law, is the law, is the law

I've got an empty room
But there's nowhere to cry

I've got a million reasons
To hate you but why

And I don't need a lovesong
So tell me what went wrong
Wrong with you

But then my heart skipped a breath, whoa, whoa
Without a beat I forget. so, so, no
And I'm not ready to lose it all, whoa, whoa
But love is the law, is the law, is the law

I'm gonna open my eyes
Gonna let you know
Not gonna give it up
Gonna let you go

And I don't care if you don't come back, I'll be mad
Not yours
I'm alive

But then my heart skipped a breath, whoa, whoa
Without a beat I forget. so, so, no
And I'm not ready to lose it all, whoa, whoa

But love is the law, is the law, is the law
